# Welcome Words To Women

If, you are an intelligent thinking woman, in need of relief from weakness, nervousness, pain and suffering, then it means much to you that there is one tried and true honest square-deal medicine OF KNOWN COMPOSITION, sold by druggists for the cure of woman's ills. The makers of

## Dr. Pierce's Favorite Prescription

for the cure of weak, nervous, run-down, over-worked, debilitated, pain-racked women, knowing this medicine to be made up of ingredients, every one of which has the strongest possible endorsement of the leading and standard authorities of the several schools of practice, are perfectly willing, and in fact, are only too glad to print, as they do, the formula, or list of ingredients, of which it is composed, in plain English, on every bottle-wrapper. Is this not a significant fact worthy of careful consideration?

Women use Dr. Pierce's Favorite Prescription in preference to all other advocated medicines sold by druggists for their peculiar weaknesses and ailments because it is

**THE ONE REMEDY** which contains no alcohol or habit-forming drugs, is not anything like advertised secret compounds or patent medicines.

**THE ONE REMEDY** for women devised by a regularly graduated physician of vast experience in woman's ailments and carefully adapted to her delicate organism.

**THE ONE REMEDY** good enough that its makers are not afraid to print its every ingredient on its outside bottle-wrapper.

It's foolish—often dangerous to be over-persuaded into accepting a secret nostrum in place of this time-proven medicine of KNOWN COMPOSITION. World's Dispensary Medical Association, Buffalo, N. Y.

## LINCOLN DISTRICT AND FARMINGTON NEWS.

**FARMINGTON, Nov. 23.**—As Jumbo has disappeared and has not been heard from for some time, I will tell of some things which are taking place in the town and district.

Hugh Davis, who has been on the bookkeeping force of the Georges Creek Coal and Iron Company Department Store for several months, has resigned his position and has accepted a position in the postoffice at Mannington.

A Miss Roberts, of Martins Ferry, Ohio, is cashier in the Georges Creek Coal and Iron Company's Department Store.

A car load of cement is being unloaded and hauled out to the location of the power house which will be built by the Fairmont and Mannington Street Car Company near the B. and O. pump station at the west end of town.

Three small children of Mr. and Mrs. Will Morgan have been very ill for several days with scarlet fever.

Mrs. Howard Coleman has returned home from Peoria, Ill., where she had been visiting her parents for some time.

John A. Bock returned home Saturday night from Bluefield, where he had been attending the Grand Lodge I. O. O. F.

Archie Parish, of Mannington, was visiting at the home of his parents, Mr. and Mrs. E. M. Parish, last Sunday.

Mrs. Marshal Leeper was visiting her mother, Mrs. Viola Lough, on Laurel Run Saturday and Sunday.

The Georges Creek Coal and Iron Company has put a large force of men to work on the new railroad which the company is building to Dunkard Mill run to the location of the new shaft which it expects to put down at once.

Rev. McNemar is holding revival services at Bethel Church this week. There will be a Union Thanksgiving service held at the M. E. Church at Farmington on Thursday at 10:30 a. m.

The literary society at the Laurel Run school still increases in interest. There have been some good topics discussed and a large number of queries answered which have been instructive. The attendance is large and good order has prevailed.

J. F. Lough, of Laurel Run, was visiting relatives at Cross Roads Saturday and Sunday.

OBSERVER.

**Those who have learned to appreciate the exquisite flavor which the delicate flesh of a plump guinea invariably possesses are not slow in expressing surprise at the fact that the excellent qualities of this bird have not been more widely recognized. It is true that the cook-books have little to say about them. Even some of the so-called standard works on cookery fail to refer to them at all, and yet there can be no question but that the properly cooked guinea fowl is superior eating to either the duck or the goose.**

Dr. Langworthy, who prepared the recent bulletin on "The Guinea Fowl" for the United States Department of Agriculture, advises that the birds be cooked with a little onion and bacon in a casserole, or he recommends the following recipe:

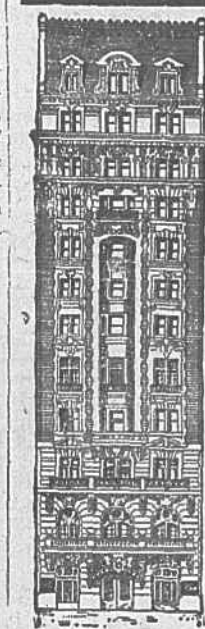

"Cover the bottom of a skillet with sliced onion slightly browned; lay on it the guinea fowl nicely cut as for a fricassee, putting thin strips of bacon over the meat; add a little water, close the skillet tightly by means of paper tied over the top. Cook in the oven until well done. Serve with boiled vegetables, like samp or hominy, in the place of potatoes."—The December Delineator.
